

UNIFLIGHT GLOBAL CONFIGURES GROWING FLEET FOR MERCY FLIGHT

BELLE VERNON, PENNSYLVANIA, OCTOBER 18, 2019 - Uniflight Global has finalized completions and configurations for the new Mercy Flight Buffalo fleet. The fleet includes three (3) new Bell 429 helicopters.

The mission of Mercy Flight is to provide emergency and non-emergency air medical transport services. With over 36 years of experience, Mercy Flight provides services to New York, Pennsylvania, parts of Canada, and the surrounding region. They have successfully and *safely* completed over 26,000 patient missions.

Jeff Holt, Uniflight Global's Business Development Manager, stated: "We at Uniflight Global were very pleased to be able to build on our longstanding relationship with Mercy Flight, and to support the very important mission that they perform through the completion and configuration of their three (3) Bell 429 helicopters. Our West Penn facility looks forward to continuing to provide the necessary maintenance, repair and overhaul as well as completion and customizing services that Mercy Flight's growing fleet will continue to require for many years to come."

Uniflight Global has a long-standing, *trusted* reputation in the air medical community.

About Uniflight Global:

At Uniflight Global we Finance, Fix, and Fly helicopters. Over 35 years, the legacy businesses that form Uniflight Global have earned a well-deserved reputation for the highest standards in flight services and aircraft availability; completions and customizing; maintenance, repair and overhaul; and logistics support. We provide these services using a highly consultative and advisory approach to custom-tailor appropriate equipment and support solutions to match the mission profile. Uniflight Global is an authorized service center for Airbus, Bell, and Leonardo Helicopters. Uniflight Global holds multiple Civil Aviation Authority certifications, including DGAC, EASA, and FAA Part 145 Repair Stations at two locations: Belle Vernon, PA, and Grand Prairie, TX; FAA Part 135 Air Taxi and Part 133 External Load operating certificates in Rome, NY. Uniflight Global has sales offices in Philadelphia and Pittsburgh, PA; and the Dallas-Ft. Worth Metroplex, as well as a global network of partners throughout the value chain that we regularly leverage for our customers' benefit. At Uniflight Global, our Core Values form the acronym: "I CARE": Integrity, Commitment, Accountability, Respect, and Excellence.
